

B2  
Cove

battery mounting device is disposed at the rear portion of the handle.

B3

32. (Once Amended) A table saw as in claim 31, wherein the blade case further comprises a handle having a rear portion defined closest to the pivotal axis and a front portion defined farthest from the pivotal axis, wherein the battery mounting device is disposed at the rear portion of the handle.

B4

37. (Once Amended) A table saw as in claim 34, wherein the blade case further comprises a handle and the battery mounting device is disposed on the handle.

#### REMARKS

Claims 18, 24, 32 and 37 have been amended. No new matter has been added and no new issue is believed to be raised by this amendment, because as discussed below, independent claims 17 and 34 are believed to be in a condition for allowance. Therefore, dependent claims 18, 24 and 32, which depend from independent claim 17, and dependent claim 37, which depends from independent claim 34, are also placed into a condition for allowance and no further searching will be necessary. Therefore, entry of the amendment of claims 18, 24, 32 and 37
